
Blueberry Compote

INGREDIENTS

200g blueberries
20g icing sugar
20ml Cointreau

METHOD

- Place blueberry in a pan on a low heat.
- Add sifted icing sugar into the pan and give it a stir.
- Add Cointreau and cook until alcohol is dissolved. (Ensure that you don't overcook it - the blueberries should still hold their shape.)
- It's ready to use once the mixture has cooled down.
